

FAMILY INVOLVEMENT AWARD

Activity: “Kickoff Invitation”

This project will give the boys a craft to make, and you’ll end up with invitations to send home with the Scouts, inviting their families to your popcorn kickoff.

Leader: Let the boys design, then cut out their own invitations. However, you may have to help some boys with lettering the Time, Date, and Place information. Design elements could include: green corn plants, yellow sun, yellow ears of corn, orange unpopped kernels, white popped kernels, packages cut from order forms, pictures of fun Scouting activities. The boys can add popcorn kernels with rubber cement for added decoration, and they can add their own hand prints for extra individualization. Finally, address envelopes, put the invitations in the envelopes, and send them home with the Scouts.

Time: 30-40 minutes

Materials:

- ❖ Construction paper
- ❖ Markers
- ❖ Poster paints
- ❖ Scissors
- ❖ Rubber cement
- ❖ Popped popcorn
- ❖ Envelopes
- ❖ Pens
